Abstract

This is some text in front.

This is the very first part of the book.

Introduction

This is the first real chapter. Here is an attempt to cite a paper (Xie, 2015).

Methods

Now let's talk details.

Results

Now I'll teach you some crazy math, but I need to work it out first... Let's see if we can get some plotting going.

Discussion

Now I'll teach you some crazy math, but I need to work it out first...
